#### **Statuephilia**

Oct 4-Jan 25 2009, British Museum. Artists and curators love nothing more than putting on a show in the gaps of a great collection, so five big-name sculptors, including Damien Hirst and Antony Gormley, have jumped at the chance to show new pieces in the nooks and crannies of the British Museum. [www.britishmuseum.org](http://www.britishmuseum.org)

#### **Andy Warhol: Other Voices, Other Rooms**

Oct 8-Jan 11 2009, Hayward Gallery. Andy's back, or rather, he never went away. The influence that the bewigged one's freeform production of films, videos and even soap operas has had on subsequent movies, advertising and television is under scrutiny in the Hayward's big fortieth anniversary show. As media sponsors of the show, Time Out will be offering readers two tickets for the price of one. [www.hayward.org.uk](http://www.hayward.org.uk)

## Cafeer/Restauranter:

### REVENGE IS SWEET

The Flea Pit bar/cafe / London <http://www.revengeissweet.org>

Revenge is Sweet will be taking over The Flea Pit bar/cafe in East London from September 19 - October 4.

Food, drink and a little art... 49 Columbia Road, London E2 7RG, [www.thefleapit.com/](http://www.thefleapit.com/)

**Café Diana**, 5 Wellington Terrace, London, W2 4LW, UK, +44 (0) 20 7792 9606

Café som serverer middelhavsmad (falafel, humus mm) – på væggene hænger billeder af Lady Diana, bl.a. nogen hvor hun har besøgt cafeen. Ligger et par gader fra vores hotel ved Bayswater road/Ossington St.

**Belgo Centraal/Belgo Noord**, Centraal: 50 Earlham Street, Covent Garden, London, WC2H 9LJ

**North**: 72 Chalk Farm Road, London, NW1 8AN (ikke langt fra Camden Market)

Designet af Ron Arad (industrielt designer). Belgo Centraal var en stor succes, da den åbnede i 1992 og dengang en meget anderledes restaurant oplevelse. Kendt for Moules/frites, pølser, muslinger og belgisk øl i stride strømme serveret af unge mænd i munkekutter, mens man sidder bænket ved langborde.

**Bar Vinyl**, 6 Inverness Street, Camden, London, NW1 7HJ • tube: Camden Town. [www.barvinyl.com](http://www.barvinyl.com)

Bar Vinyl ligger i en lille sidegade til mylderet på Camden High Street/Camden Market – og er et godt spot med en venlig vibe, hvor man kan hvile fødderne og slukke tørsten med en forfriskning. Der er et varieret menukort med lettere retter fra det meste af verdenen. Når man har stillet sin sult, kan man besøge pladeforretningen i kælderen, som specialiserer sig i elektronisk musik.

**Bar Ganza**. 2, Inverness St, NW1 7HJ • tube: Camden Town

Er du mere til det spanske kan du prøve denne hyggelige café/restaurant i samme gade. Der serveres et godt udvalg af tapas og spanske øl.

**Bluebird**: Een af Conran brødrenes restaurant og Café på Kings Road, 350 King's Road, London SW3 5UU

Tel: 0207 559 1000 Nærmeste tube: Sloane Square (Circle and District)

<http://www.danddlondon.com/restaurants/bluebird/home>

Restaurantens priser er i ml. klassen. Men der er også en skøn café. Fransk/Engelsk køkken

**Wagamama**: ris og nudler, skønt og billigt. Super for vegetarer. Absolut ikke som Wagamama i København, som vist ikke skulle være skidegodt altid... Ligger over hele London... <http://www.wagamama.com/>

Spis **kinesisk** i Chinatown

Området omkring Spitalfield, skulle være super, hvis man er vild med **indisk**.

**Drinks ved South Bank**. Hvis vejret er til det kan det kun anbefales at drikke Pimms ved South Bank. Gå over broen ved Embankment tube og gå til venstre (modsat London Eye) når i er kommet over, så er i midt i idet. [www.southbanklondon.com/](http://www.southbanklondon.com/)

Spis (baren er også god) på **Browns**, [www.browns-restaurants.com/menu-coventgarden.php](http://www.browns-restaurants.com/menu-coventgarden.php), eller på min favorit restaurant i London (noget dyrere end Browns, men ligger i samme gade) **Asia Cuba**, [www.stmartinslane.com/st\\_martins\\_lane\\_hotel\\_asia\\_de\\_cuba.asp](http://www.stmartinslane.com/st_martins_lane_hotel_asia_de_cuba.asp)

**Simpsons** går aldrig af mode, [www.simpsonsinthestrands.co.uk/](http://www.simpsonsinthestrands.co.uk/)

**Alle All Bar One** er gode til Frokost, [www.all-bar-one.co.uk/](http://www.all-bar-one.co.uk/)

**Mezzo Bar** i Wardour Street (Soho) sidste gang – det er et ret stort sted.

**The Paradise** is a very cool location and it is one of those places that a lot of very cool people frequent - kind of like a hidden gem - but it is slightly off the beaten track of Nottinghill as such ... You would have to book in advance. It is in Kilburn Lane at the top of Ladbroke Grove.... [www.theparadise.co.uk/](http://www.theparadise.co.uk/)

**Osterio Basilico** is a nice laid back option with good food: [www.osteriobasilico.co.uk/](http://www.osteriobasilico.co.uk/)

**Under the Westway** - just off Portobello ...it is pretty cool and they have a restaurant:

Under The Westway, Westbourne Studios, 242 Acklam Road, W10 5JJ, tel: 02075753123

This is a review of ten of **the best options** in the area, which includes the price per head and their contact numbers - this is well worth looking into: [www.squaremeal.co.uk/restaurants/london/selection/344/Best\\_North-west](http://www.squaremeal.co.uk/restaurants/london/selection/344/Best_North-west)
